VOLUME II NUMBER 3

34TH. BOMB GROUP

SEPT 1980

## MENDLESHAM MEMORIES

Dear Fellow members of the 34th Bomb Group.

Time is drawing near for our "Unit Rendezvous" at the 8th Air Force reunion in Orlando. Have you sent in your reservation? If not, do so, I have just received word from Ramblin Tours--confirming again, the article I wrote in the last issue of the Mendlesham Memories, that all Units, who wish to be close to each other on the same floor or adjoining floors, would be accommodated. Reservations will have to be in for this, by Oct 1st and then it will depend on the rooms available.

To all who placed notices in your newspapers, I want to thank you. If you have a copy of the notice, send it to me for I am keeping a scrapbook of things which appear in the newspapers concerning the 34th B.G. I also send a copy to Elmer and Jean Fessler, of the 8th Air Force Clearing House, who are also keeping a scrapbook on things about the 8th AF.

I have received word from Maj Gen. Creer, one of our Commanding Officers of the 34th, in reply to a letter asking him to be the speaker for the Friday nite Banquet of the 34th. His reply was that he would be happy to accept the honor of speaking to all his old friends and Comrades.

I recently received a letter from Mrs Sara Lou Cook, wife of Major Charles Cook, telling me she was sending some of Charles's papers and pictures to me, as you know Charles passed away last year. She thought I might be interested in them. I told her I was very interested, for I have started a collection of pictures and papers which I have been sent. Well when the package arrived it not only contained the pictures and papers but also a 4th Sqd. Emblem and the 34th Bomb Group Book. This really made the summer for me. I did not have the 34th Book but had been loaned one last year by Ralph Murphy and having gone thru the book, sent it back to Ralph. As you all know this book as well as the 93rd wing or the 100 Mission Book are out of print, and the Government has done away with the plates. These are collectors items now. I want to thank Mrs Cook once again for sending me the pictures and some of Charles's papers as well as the 4th Sqd. Emblem and of course the 34th Bomb Group Book. I will take care of them. One of the pictures show a group of men standing along side of the Operations Bldg at Mendlesham. Do any of you have this picture? I will bring it to the reunion and maybe some of you will be able to identify the men in the photo. There is one way which some of you can help Mrs. Cook. She is anxious to find William C. Brophy a member of the 34th, who was a good friend to Charles and Sara Lou. The last time they heard from him, he was located in Los Angeles near by and may have been in the cement business. He was supposed to have gone to Hawaii. If any of you out California way know where William Brophy is, send word to me or Mrs Cook.

I received some bad news since the last letter was sent out. I received word from the wives of Bob Schnittgrund and Ben Goldberg, telling of the death of their husbands. I also received word from the Neice of Basil Mykytuk telling of his death. If you knew these men, you might want to send a card or letter to the wives or relatives of these men. The addresses are, Mrs Bob Schnittgrund 651 Adiago Way, San Jose Ca. 95111, Mrs Ben Goldberg, 2530 Summerson Rd. Baltimore Md. 21029, Ms Barbara Frasier (Neice) 1452 Henrietta, Birmingham, Mi. 48009. As you know we have been keeping all the wives of those who have passed on, on our mailing list. I am sure their husbands would have wanted it that way.

I had a letter from Carrol Forister, who was on the same plane as Jack Blackham, when they bailed out of their burning plane on the night of June 7th '44, when it was hit by enemy aircraft over the Base. Carrol married an English girl and has gone back to England several time to visit her relatives. He has been back to Mendlesham to visit Andrew and Margaret Kerr in whose garden he landed the night they bailed out of the burning plane.

I had a letter from John Griffith who was just 18 when he was with the 34th. He was a tail gunner on the plane "Bein-A-Blitzen. He was one of the tallest if not the tallest tail gunner in the 34th. 6ft 2ins. Can anyone top that? His crew was written up in the Stars and Stripe for holding the record for 4 engine plane, flying on 2 engines, for the longest time, two different times, First time on engines 1&2 from Kassel Germany to Mendlesham and the 2nd time on engine 3&4 from Ludwigshaven, Germany to Mendlesham. Can any of you top that one? Thanks John for telling us about it.

I received a letter from Richard Peters, Radio Operator on the B24 "Off Limits" which went down on the English Coast. June 22 '44. This was the 13th mission. He told some about the crash and still remembers tumbling around in the gravel, which filled the plane, when they belly landed on the Beach. I talked to the Pilot of the Plane Guy M. Gipson, when we met in Manhattan Ks. last year. Guy said the hulk of the plane was still on the Beach when he flew over it about 10 years later. I have been promised some pictures of the plane, from England but have not received them as yet. We are searching for some one who can identify the P47 who escorted them back to the English Coast. We would like to know the marking on the plane so we can try to find which Fighter Sqd and Group it was from. Dick Peters took some pictures of the plane and Pilot but the camera disappeared after the crash.

Ray Kubly sent me some clippings from his home town newspaper of Watertown Wi. They were about the reunion of Ray and another Pilot, Jack Murrel, who escaped from a German Hospital, with the aid of a member of the Dutch underground, Cor Lof, after they had both been shot down on a mission. The man who helped them to escape, Cor Lof was here in America visiting Ray. The three were to together in Watertown. While they were together, they visited Sister Marguerite, one of the Sisters who ran the Hospital. She is now a resident of Watertown Wi. I enjoyed the story Ray. I will publish it in our newsletter one of these days. After I had read your story, I was going over some mission reports and it told about your plane being crippled and having to turn back and trying to make it to a Friendly Base.

Some time ago I requested that all of you send some pictures to John Woolnough, Editor of the 8th AF News, for his second book. You responded very well

I received some pictures from Tom King, of his crew, taken just before they went overseas. You should see the haircuts. Tom told me he had a lot of fun with those hair cuts after he arrived at Mendlesham. Tom also loaned me the report on the Mersburg raid, he had obtained these several years ago from the Archives in Washington. I will return them soon as I have finished them. There are about 150 pages of reports.

To Hawley Hudson, I hope I have spelled your name correctly, this time. Thanks for sending me the picture of your plane and crew also the mission reports. I appreciate them very much. I see you were on the mission of June 22nd '44 when Gipson and Crew went down.

Remember in the June letter when I told you about the Claim to Fame of the 34th B.G. We have found 2 of the Crew, who were listed as the youngest crew on 4 engine bombers in the ETO. One is Louis Fournier of N Cranston R.I. and Loren Pittman of Wyondotte, Mi, Loren is the Under Sherif and Chief Deputy of Wayne County Mi, where the City of Detroit is located. Loren has promised to stop by on his way to see his son who is stationed at Ft Ben Harrison. Maybe one of these days we will be able to locate some others of your crew.

Surely some of you have the addresses of men from your crew or the addresses of some of the ones you ran around with in England. If you have, get in touch with them by letter or phone and tell them about the 34th being active

once again. Tell them to contact me, if they would like to be on our membership list. Then send me the name and address. If you had someone in Service and they retired and you want to find them, here is what to do. Write the person a letter, be sure and tell him about the 34th B.G. Ass'n. Place the letter in a stamped envelope with his name on it. Then write another letter to The Locator Center, AFMPC/DPMDOP, Randolph AF Base, Texas. Tell them who you are trying to find, give as much information as you can about the person. Place the first letter in the envelope with a \$2.00 money order made out to the Treasurer of the United States, this is what it costs for one person. It will take a little time but you will receive an answer telling you whether the one you are seeking can be found. You will not receive the persons address but your letter will be forwarded and it is up to the person to contact you. The money is not refundable, if the person can not be found. Our Ass'n would like to do this but it is too costly, Henry Jurgens and I found several this way but had to stop as it was costing us too much.

To all of you who were Prisoners of War, There is an American Ex- Prisoner of War organization looking for you. If you care to join, send a letter to National Hdq. American Ex-Prisoners of War Inc, Herman Molen National Commander, 2620 No Dundee St. Tampa, Fla. 33609. For those who escaped, there is also an organization. Write to The Escape and Evasion Society, Ralph Patton, 720 Valley View Pd., Pittsburg Pa. 15243.

I received a letter from William "Pete" Gray from the 7th Sqd. who suggested that we all bring a picture of oneself, taken while we were in Service so that we will recognize each other. I met "Pete" in Virginia Beach some time back and it wasn't until he saw the picture of me taken in England that he really recognized me. Thanks "Pete" for the suggestion. By the way "Pete" I was in the 18th Sqd. instead of the 391st. I will see you at the reunion in Florida, "Pete"

I have just received word from Rambling Tours as to who have sent in reservations in as of Aug 12, thought you might be interested as to who has signed up so far. The names are Al DiNenno, Dex Jordan, Jack Share, Henry Jurgens, Grady Deatherage, James Watkins, "Pete" Gray, Bruce Sothern, Paul Buss, Bob Hartwick, Harold Rutka, Ray Summa, Harold Parrish, Ed Crowley, Doug Underwood, Cecil Cohen, Malcolm Corum, Joe Edwards, Julian Mason and John Dwyer. There have been 20. This is just up until the notice was sent to me. I know there will be more for several whose name is not on the list have told me they were going. Do not wait too long.

I have a message from Malcolm Corum to the ones who Crewed the Plane Big T. Malcolm has some colored slides of the plane and will send one to the ones who identify themselves as the Crew of the plane. Malcolm was with the 391 Sqd. Come on boys and make your selves known. Malcolm and Jack Blackham have started a Chapter of the 8th Air Force Historical Society in El Paso. They are calling it the El Paso Sqd.--Texas Wing 8th AFHS. Any of you men from Texas want to join it, write to Malcolm, the address is on the membership list.

I also have a message from Grady Deatherage, To get started Grady was selected to be President of the Group. The message is as follows, "I, like many otherfellows, am pleased that we have finally gotten our group organized. I would like to express my appreciation to Malcolm Corum and the many others. for their efforts. I am looking forward to working with the Board, I am sure that our combined efforts will result in the necessary things that will provide an enjoyable Association, for our 34th Bomb Group for many years to come".

I received a call from Harold Rutka, who has worked hard to have the 34th Bomb Group Sqd. emblems reproduced. At the present time we are not able to quote a price of the emblems. The company with whom he placed the order did not receive the order and he has reordered them. The order was lost in the mail, He has been in touch with the Company and they say they hope to have the emblems ready for the reunion in Oct. Harold will bring some with him when he arrives. The cost should be close to what I quoted in the last newsletter.

I had a letter from Roland Hackler, who worked in the Prop Shop at Mendlesham. He remembers the time on June 7th when the enemy attacked our

planes over the base. He had a call to save the equipment from the building which had been damaged by the crash. Thanks for writing in about it Roland I will print the rest of it in our newsletter one of these days. Keep those letters coming. I appreciate them all. the satisfaction of receiving your letters and knowing that the effort of sending out the newsletters is appreciated is what keeps me going.

I have often wondered who placed the article about the 34th in the Retired Officers Mag. While visiting Hank Lambert, I mentioned it to him. Well Hank wrote to the Magazine and received a reply to his inquiry. It was Lt Col. Howard W Worrell USAR retired. It seemed as tho one day he was talking to Junius Cobb, one of the men on my Ground Crew and Junius happened to mention that I was trying to find some way to locate all the former members of the 34th B.G. Col Worrell wrote to the DAV and the TROA and they both published the article. As you know this article in the Magazines really helped me find quite a few of you men whose address I did not have. I want to thank Colonel Worrell for placing the article in those Magazines. I also want to thank Junius Cobb for the help he gave. By the way, even tho Col Worrell has retired from the Army, he was attached to the 8th AF Headquarters in England, while serving with the 93rd Machine Record Unit, 1942 and 1943. Thanks Hank for setting my mind at ease, Lt Col. Howard Worrell lives at 7911 Iron Bridge Rd Richmand Va, 23234 .

I received a package from Dana Schrupp, this week. It was a break down of the 34th Roster. Dana and his wife June had answered my call for help to break the Roster down. It wasn't an easy task for there were at least 150 Names on each page and there were 15 Pages. They took each name and address and filed it according to states and cities alphebetically, Thank you for what you did for me. It will make it a lot easier to look up the addresses in the phone book, by States. Dana says he and June will see everybody in Orlando at the Reunion.

I need a suggestion from all of you as to what you think the membership fee should be. I will need to present it during the meeting at the reunion in Orlando. The money will be used for the expenses of finding our lost friends, and for the printing and mailing of our newsletter and membership lists.

I have just received word from another of our Claim to Fame Crew, Eugene C. Tremblay, 80 Haddom St, Hartford Ct 06106.

My wife and I will be gone to Atlantic Beach N.C. from Aug 30 to Sept 15. We will be at the Ramada Inn, there, if any of you from down that way find yourselves near there, drop in for a while. We will also start from here to go to the reunion Oct 22. We will make a few stops before we arrive in Fla.

Stephen Niatus, I haven't forgotten your story, I will see that it is printed soon. Stephen was the Engineer who flew home with the Crew from our Claim to Fame.

Your Contact Man was asked to serve on a Committee from the 8thAFHS, for the establishment of a Memorial at the Wright Patterson Air Force Museum at Dayton, Ohio, to be completed by the spring of '82, to coincide with the 40th Anniversary of the founding of the 8th Air Force. The committee met in June with the people from the Museum and a spot was picked out. The plans are now being drawn and studied to see what th Memorial should be.

My wife and I are looking forward to seeing you all at the Reunion in Orlando, Florida. Let us make this the largest Reunion ever.

Your 34th Bomb Group Contact Man
