Dear Fellow Members of the 34th Bomb Group;

Time is drawing close to the date of the 34th B.G. Rendezvous with the 8th A.F. at St Paul Mn. Oct 15th thru Oct 18th. I do hope all of you who are going have made your reservations. There is one correction from the information about trailers and R.Vs which I would like to make, Those with trailers and R.Vs. who want to stay in them, should park in the parking lot on Pig Island. This is a city owned parking lot. You will be able to ride the bus back and forth from the lot to the Reunion Hotel. Those flying who are flying and need a ride to the Hotels, do not forget to send in the reservation card which came with your reservation acknowledgement. More on the Reunion later.

We had a real nice trip back East this summer. First we went to Washington D.C. to try to see the Congress in action and to visit with my sister who lives close by.

From here we went to Spotsylvania to visit with Mary and "Hank" Lambert. We really enjoyed ourselves with Mary and "Hank". Mary the strawberry short cake was delicious. Maybe next time we will be able to stay longer. I showed "Hank" a picture, which George Ritchie has sent me and found out that it was a picture of the crew which Hank was on. Hank was in the picture and he pointed out one of the ground crew and it turned out, it was "Pete" Gray and Charles Smith another of the ground crew. I have written to "Pete" Gray and told him, Hank, one of these days Pete will stop and see you. Hank send his regrets that he will not be at the St Paul Reunion but says he will try to make the one next year in Cincinnati. Hank would like to hear from some of you men who he knew before he went down in Sept '44. He remembers a lot of you Bombadiers who were in his class in Bombadier school and who were sent to the 34th with him.

Next stop was to see Henry and Ruth Jurgens in Del. Henry was busy in the field baling straw but came in early to talk and visit. Al and Olive DiNenno came for a visit at Henry's on Sunday. All of us really hashed over the 34th B.G. while we were there. Al has been helping me with some extra printing and has been seeing about the reproduction of the 34th B.G. Flag. which we hope to have for the Reunion. We enjoyed the visit with you, Henry and Ruth and Al and Olive. We will see you at the Reunion

Next we went to Reading Pa., to visit Clarence Bradford one of the 391st Crew Chiefs who is in the Leader Nursing Center at W. Reading. He asked about you, "Doc" Allega and also you Henry Tepper. and mentioned a lot of the names of the men he worked with in the 391st. Clarence has been here in the Nursing Center for several years but is in good spirits and would enjoy a letter from some of his former friends. Come on men drop him a line once in a while.

After doing a little shopping at the Reading Outlet store we went on to Waverly N.Y. where we visited Walter Stroud and his wife, whom I had just recently found. Walt is recovering from a heart attack and is feeling better. Walt was a Crew Chief in the 4th Sqd. and talked a lot about those who he worked with while in the 34th B.G. He would like to hear from some of you who, knew him especially his Combat Crew. Come on men, here is a chance to help one of our own feel better, by dropping Walt a line. He lives 50 Lafayette St Waverly N.Y. 14892.

Sept '81

We spent one night with Jean and Bates Davidson at Elmira NY. We had a real good time while there. Bates cooks a real mean steak, just the way you like it. Jean does all the real work, with the rest of the trimmings. Bates was in the 391st and was on Wally Felker's crew as the Navigator. We owe Bates a vote of thanks for the legal work he has done for the 34th B.G. Ass'n. Jean and Bates have a big red Irish Setter, called Gwenie. It is too bad Texas is so far away from N.Y. for then Malcolm Corum's Red Dog could have a girl friend.

We enjoyed the sight seeing around that part of N.Y. especially the Corning Glass Factories. Nor will we forget the visit to the Wineries which are close by. We took a tour of the Wineries and did some wine tasting (it was real good)

We went on up from here and stopped and spent an evening with Jack and Miriam Share at Cortland N.Y. We have received a card from Jack and Miriam who were spending their vacation at Las Vegas. Hope you had a good time in Vegas and hope they did not take all your money.

On the way home, we spent a few hours at Niagara Falls. After over 40 yrs of wedded bliss, we finally got to see the Falls. We cut short our trip thru the East. Our Youngest Grandson age 9 had gone over the handle bars of his bike and landed in the hospital with head injuries and front teeth chipped. He recuperated rapidly as youngsters do.

Bob Wright stopped by one day for lunch, on his way back home to So Bend. He had been to Indianapolis for therapy on the hand he had caught in a saw just after the reunion last year. I had a letter this week from him and his hand is responding very well to the therapy. He will be in St Paul at the Reunion.

Henry and Ruth Jurgens, spent a couple of days with us on their way out West. Henry makes fun of our left handed bath tub. Henry and Ruth are back home, from their trip. They stopped in and saw Steve Bialas, then went on to visit with Leslie Patrick and then onto Washington to see Tony Lauby. They really enjoyed their trip and seeing the ones Henry was in service with.

We received a nice card from Beulah and Dex Jordan, who were on a tour thru Europe. Sounded great. Hope to see you two in St Paul.

We had a letter from Jerry Pine, who is recuperating from heart surgery. Gerald is feeling better but does have some problems which he hopes will work out. He will be at the Reunion in St Paul. Take care of your self Jerry, Keep those letters coming. We both enjoy hearing from you and Wanda.

After several phone calls to Cincinnati and several visit to Indianapolis Ind. to the Federal Building and the State House, to see both the Federal and State IRS, the 34th Bomb Group is an Exempt, Non-profit Organization. I am now on first name bases with the IRS agent in Cincinnati. Thanks to Bates Davidson for helping me fill out the forms, required and to the ones who worked on the By-Laws. You can now take your donations to the 34th B.G. off on your Income Taxes.

We saw the Confederate Air Force show at Bakalar Field, Columbus Ind. Despite the hot weather 92 in the shade, it was one of the greatest attended air shows put on by the C.F.A. On Sat 70,000 to 80,000 people were there. On Sunday over 100,000 people were there. I talked to a lot of men who had been in the AF and they did not know the 8th AFHS was in existence. I gave quite a few of them the information about the Organization. There were the greatest amt of WW II plane in flying conditions there, as has been shown at any one time. It was a thrill to see the 2 B17s and the one B24 take off and land.

Doug Underwood says to tell you who have asked him for information that he is behind at the present time but hopes to catch up soon. Also all of you who have not returned the questionier to do so as soon as possible, but not to send any pictures as yet.

Malcolm Corum has a project going and would like for all of you who remember the name and numbers of your planes to send the information to him.

I had a letter from Mrs Pat Watkins, wife of Jim Watkins of the 7th Sdq telling me Jim had passed away April 13th. Jim was from Salisbury, N.C. He will be missed by his friends from the 34th B.G.

Received a phone call from Mrs Maxine Hudelson Ray's wife, telling me

she had read about the death of Tom Brennen of Rapid City S.D. Tom was with both the 18th and 391st Sqds. I called Tom's home in Rapid City and talked to his brother about Tom's death. He told me, Tom had not been feeling very well for sometime and recently returned home from the hospital. I will miss Tom very much, for he wrote very often to me.

I have just received a letter from the family of William Ambler of Arcadia Fla., telling of the passing of William Ambler. Some of you may remember Bill the Mailman at Blythe Ca. before we went over seas.

On my way to Ky. Lake in Ky. I stopped in Evansville Ind and called two of the 34th B.G. men who lived there, Bill Barrett and Tom Melcher. Bill was not at home but Tom Melcher was, I talked to Tom quite awhile about the ones we knew from the 34th B.G. Tom has been ill but is feeling pretty good now and would like to hear from some of you men whom he worked with when he was attached to the Headquarters. Tom promised to tell Bill I called, How about hearing from you two Hoosiers?

While in Ky., we went to Paducah and stopped at the Holiday Inn to see Trevett Wilson, whom I had found some time ago. T.A. is the Manager of the Holiday Inn in Paducah. We really had a gab fest talking about one of the trips he and several of the others were on, going and coming from Ireland. Lonnie Crook, Charles Metz and the rest of you who were on that trip, Do you recall it? Trevett also told me how he and A.T. Connely 7th Sqd Supply Sgt set up the 7th Sqd Supply after they reached Mendlesham England. Boy that was some setup. Connely, do you remember your old Supply Officer?

I was in Hopkinsville Ky also and called Laurence Sherman but he was not at home when I called. Laurence had sent me some pictures of Mendlesham when he was over there a couple of years ago.

I had a letter from Tom Hildebrand of Rembert, S.C. asking me to send him a list of our men who were formerly from S.C. Tom has really gone thru that list and has found several of our lost men in S.C. Keep up the good work Tom, I appreciate all the help I can get.

Bill Kenney of the 18th Sqd has been doing the same thing with the list of our men from N.Y. which I sent him. I have a list broken down by states, Cities and alphabetically and will send your state to anyone of you, who will help locate our lost friends

You men from the 4th Sqd Flight Line will be happy to know we have located your Line Chief Lowell Larson, not in Mn, but in Ca. I had a letter from him saying he would try to make the St Paul Reunion. His address is on the new Roster, which is in this letter.

There are a lot among you who have travel orders, with addresses of our men on them. If you do have, please have a copy run and send it to me for it will help me find your friends. We are not getting any younger and I am sure you would like to find some of the friends who were with you, when you were in the 34th B.G. Come on now go thru your attic and search for those important papers.

As of August 13, I have received 25 names of those who have made reservations, for the Rendezvous. Charles E. Smith; Wayne Howarter; Doug Underwood; Harold Rutka; Ray Summa; "Pete" Gray; Ken Lockwood; Edmond Bouty; Charles Lux; Gerald Pine; Seymour Issacs; Jack Shade; Paul Buss; Henry Butler; Eli Baldea; Walter McAllister; Robert Wright; Gordon Spilker; Milton Hansen; Ken Humphreys; Earl Saeger; Al Dinunno; Bud Babcock; Ralph Bush; Henry Butler. There are more of you I know but I have received no word of your reservations yet.

Here is a little something "Pete" Gray sent. This is a clipping from one of the newspapers around Norfolk. There were "bullet holes above-bullet hole down and bullet hole all over the hallway" after two old men each armed with an antique pistol, shot it out at point blank range in an apt. building and emerged uninjured. Police say. Each had fired 6 shots at the other in an effort to settle an old grudge, but all the bullets missed though the men were only 5 ft apart. The Police speculated the bullets went wild because one had to prop himself up with a cane, while the other had glaucoma. The men ages 76 and 77, were released after saying they did not wish to press

charges. The same story was published in another newspaper with an added paragraph. "Both men had served as aerial gunners with the 8th AF during WW-11 and had had been credited with shooting down several enemy planes".

To you men who have English wives, Did you know there is an organization. for the English Girls who married Americans and came over her to the U.S? To find out more about it, write to Mrs Joan Poynter, 4725 Old Salem Rd. Englewood, OH. 45322. She has put the notice of the 34th B.G. Unit Rendezvous in the newspaper, she sends out to all who belong to that Organization.

We are to have an elections for some members of the 34th B.G. Board of Directors at the business meeting on Friday afternoon Oct 16th.

Bill Creer and his wife Viv have just returned from a trip from Fla up the Atlantic Coast to Connecticut. How was your trip Bill and Viv? A little different than being out in Las Vegas, quite a bit more water.

We now have a Chaplain for the 34th B.G. Association. He is Reverend Fred Brooks, former Armanent Officer for the 391st Sqd. He is now a Pastor at the St John's Episcopal Church at Preemption Ill. His address is 2614 23 $\frac{1}{2}$ Ave Rock Island Ill. 61201. The last word I had from Fred was , he will be coming to the reunion.

Some of you have receievd letters from the 8th AF Clearinghouse signed by Elmer Fessler. Elmer is retiring from his job with the Airlines this month. We wish him all the happiness in the world on his retirement. We of the 34th B.G. appreciate all the work you have done and all the help you have been in helping us find our lost men. Elmer will still be with the 8th AF Clearinghouse. We must not forget that his wife Jean also helps him run the Clearinghouse.

The year 1981 is over $\frac{1}{2}$ gone and I find there is a lot of you who have not donated or paid you membership fee to the 34th B.G. If you will look at your ad address label, and see an O, it will mean you have not sent in your membership fee. The ones who have numbers on the label, this is your membership card label. I apologize too, if I have made any mistakes. If I have let me know. Ok means Ok.

On the list of names that you receive, if there are any mistakes in the addresses be sure and let me know so I can correct them.

My wife and I will be in Virginia and at Atlantic Beach N.C. the first two weeks of Sept and will leave for St Paul Oct 12-13 and will be at the Reunion Hotel on Wed Oct 14th. We will see you at the Reunion.

Please keep me informed if move or I do not have the correct address on your address Labels, for when I ask for the letters return it is now considered as first class mail and cost according to weight. This is costing us money.

I will leave you with this last thought. Don't bug me about my mistakes Look at all the thought that went into them

SEE YOU ALL IN ST PAUL.

Bob Wrights Crew by Gerald Pine

7th Sqd 34th B.G.

Our B17 was a mighty ship
She fired from the tail, and the hip
We had old Waltdown in the ball
and Alex in the top turret where he stoos ten feet tall
Bob and Dave handled the controls
Luke would navigate us to our goal
Mcphee was our Bombardier.
But he went to lead where the vision was clear
Ed Tuma came aboard as a Toggeleer
Hutch and Pine from the Radio
Would man waist guns and make them go
Now on the ground-- Rose and Sal
Kept us flying in that grand old Gal
We flew the tour without much hassle
Ending at Hamburg and starting at Kassel
Near two score later its Reunion time
We remember the fun and the Big Ben Chime
Well, laugh-- we cry to no avail--
Hey-- Donot forget Aldo way back in the tail
