MENDLESHAM MEMORIES

34TH BOMB GROUP H

Fellow Members of the 34th B.G. Ass'n

THE GIANT IS STILL ON BEACH!!

Remember I told you it stood for missions scheduled and to those who were scheduled to go, to act accordingly. This time we still have three missions scheduled.

The date of the missions is rapidly approaching. First is the reunion scheduled for Oct 7th thru Oct 10th in Cincinnati Ohio. Second the dedication of the Living Tree Memorial at the WPAF Museum, Dayton, Ohio, Oct 9th. Last but not least, the moving and restoration of the 34th B.G. Memorial at our old Base, Mendlesham, England.

First the briefing on the reunion in Cincinnati. So far the response has been exceptionally good, with 54 people signed up, as of July 13th. This has far surpassed the first reports of all other reunions. I have estimated 200 of our people will respond and attend the reunion. So please do not make me wrong.

Next comes the dedication of the Memorials at the WPAF Museum, Dayton. First to be dedicated will be the 8th AFHS Memorial. This will be the longest one. After this will come the Unit Memorials, which will not last too long. The timing of these events have been worked out by the 8th AFHS and Museum Committees. Please follow the cues, which will be given at the Museum and everything will go as planned.

I am on the 8th AFHS Committee, as well as having charge of the 34th B.G. Memorial Dedication. I have attended all Committee meetings at the WPAF Museum this last year. I have also been following the development of the 34th B.G. Memorial, when I attended these meetings. The Oak Tree is leafed out and looks good. The Memorial Marker has been completed and is now mounted on the stone and by the time this newsletter reaches you, the cement for the base will have been poured and the stone mounted on the base.

Third mission of the 34th B.G. Moving and restoration of the 34th B.G. Memorial at our old Base at Mendlesham. Our Group Ex Officer Robert Gay, has recently returned from Mendlesham, where he laid a wreath on the Memorial to honor those who did not make it back. Bob has taken several slides of the Memorial and will show them at the business meeting, Friday afternoon Oct 8th. He will also give a report on the condition of the Memorial and why it should be moved.

At this time I would like to thank all of you for the donations, you sent to the Living Tree Memorial, to make it possible for us to honor our fallen comrades. To those who have not sent donations and wish to do so, it is not too late. All monies left over will go toward moving and restoring our Mendlesham memorial, should the 34th care to take the task on.

I would like to give some examples of the phone call and letters I have received from you men. Now this is just a couple and I wish I could have room for more. Harold "Buster" Thomas of Austin Tx. called me and said "Ray the 34th B.G. means a lot to me and I would like to pledge the cost of the stone. Tell me where to send the money and when." Needless to say "Buster" has sent the check. He also said to tell Roy Tavasti, hello for him, if he is at the reunion. He remembers you quite well Roy. "Buster" flew several missions with Roy.

I received a letter from "Pete" Gray with a check and a note saying: Ray, played poker the other night and when the others saw my winning hand, they decided to donate to the 34th B.G. Memorial Fund". (Guess I will have to set you up in business "Pete".)

I have also received many letters from the wives of those who have passed on, giving donations in memory of their husbands. To these a special thanks.

Some of you may have been confused about the banquet and the AUCTION USA. The Banquet will be held first and afterwards we will hold the AUCTION USA. George Ritchie will be the Auctioneer for the occasion. With George's ability to talk, he may sell the shirt off our back. George says, for those who will not be at the reunion, to send their articles to him or to me. He will take them to the reunion even though he may have to hire a truck. Those who will be at the reunion to bring their articles and turn them over to him or to Malcolm or to me. Remember

SEP.

1963

all proceeds go to the 34th B.G. Memorial Fund.

Our Hospitality Room will be open thursday at noon. After you check into the Hotel and register make your way across the street to the Convention Center and to the Hospitality Room and make yourself known to those who will be there. PLEASE SIGN THE 34TH B.G. REGISTRATION BOOK. Your name will not appear in the Dec newsletter unless you sign the book. If you are bringing refreshments to the Hospitality Room, (and I hope you are) please be discreet about it and keep it hidden until you get to the Room, (someone may take it away from you) It will be alright in the Hospitality Room.

Some of you have asked about the parking facilities at the Hotels, There is ample parking all around the Hotels and at the Stouffers it will be Valet Parking for those who stay at the Hotel. When we were there in April there was no cost for those who stayed at the Hotel. I am not sure of any changes since then. I do not know the cost of the other parking garages which are just across the street from Stouffers and the Center.

I will be leaving Anderson for the WPAF Museum, where we have a Committee meeting, on Tue. morning Oct 5th and after the meeting we will be going to the Stouffers at Cincinnati and will be there when most of you arrive. To some of you who have never seen the Museum, you may want to come early or stay over another day, for it almost impossible to see all the exhibits at the Museum in one day, especially the day of the dedication. There is ample Motels and Hotels around and in Dayton to accommodate everyone who will need a room. You may want to sign up as a Friend of the Museum and receive a discount on all things sold at the PX. The cost is just \$10.00 a year. The Museum is non profit and depends on contributions to keep it going. I have belonged for several years.

To those who would like to purchase the 34th B.G. History Book, reprint of the 1946-'47 book by Edwin S Smith, it can be ordered thru me. The cost is \$22.50, send the money to me and I will have the book shipped to you from the printers. The 34th B.G. does make a little from the book.

The Ray Summa family have had several visitors this summer and have traveled quite a bit. Gerry and Wanda Pine were down and helped with the June newsletter. Hannah says Wanda is more of a slave driver than I am when it comes to putting the newsletter together. After the Newsletter was sent out, Hannah and I visited Wanda and Gerry at their home in Waukegan Wi. and at one of the lake where they had their trailer. Wanda and I went fishing one morning and Wanda left the lid to the fish basket open and we lost most of the fish we had caught. (Wanda will tell a different story). We had a good time with the Pines and saw a lot of the beautiful country side of Central WI.

We received a call from Keith Anderson of Ravenna inviting us to breakfast the next morning. We wondered how we were to fulfil the engagement, until he told he and a friend would be flying in the next morning from Ravenna Ohio. Early the next morning the plane landed at our Anderson Airport and we took Keith and his friend to breakfast and then to our home, to see several pictures and talk about the 34th B.G. Time was short and the weather over Anderson Ind was turning bad so the two of them had to leave earlier than expected. All of you of the 7th Sqd. will remember Keith as the one who pulled the burning gas truck from the flight line when someone shot a hole in it and set it afire. I have several pictures of the truck after the fire was put out. These were sent to me by Carol Nichols.. Fly in again Keith and perhaps the weather over Indiana will be better.

Charles and Carrie Smith stopped in one wed. afternoon on their way home to Pontiac Mi. We enjoyed your visit very much and are looking forward to your return. I had a picture of Smitty holding a dog, which "Pete" Gray had sent. Smitty could not place the dog but Keith Anderson had told me he thought it was one which one of the crews had brought back from the Continent.

One Sunday Ed and Mary Jane Olson dropped in for a short visit. Ed had promised to stop by and finally kept his word. Ed was in the 34th back up in Washington and when the 34th left Blythe did not go with us overseas. He had been wondering what had happened to the 34th all these years until he saw an article we had put in a magazine. We do hope you will come back to see us again soon.

We also had a visitor one sunday, when we were gone. Dale Finley from Crothersville Ind had stopped by to see us. We are sorry Dale we were not home, you see it was the 50th anniversary of the Anderson High School Class of '32 and I had been in it. We had a brunch that morning and it lasted quite sometime. Come back for another visit sometime.

Bob Gay called me one day from his home in Mi. and said he would be showing his Arabian Horses at the Fair Grounds in Indianapolis Ind and could we meet him there. We were delighted to do so, for Bob had just returned from England and wanted to fill us in about the Memorial and laying the flowers on the Memorial. Those were beautiful horses you have Bob. He is very proud of the horses and the honors they have taken all over the country. We will see you at the reunion this fall. We missed you Phyllis.

One of the thrills we had this summer occurred at the CAF Air Show at MT Comfort Ind. For sometime now I had been trying to find one of the 18th Sqd Pilots Marvin "Lefty" Gardner and was able to locate him in Mercedes Tx. After talking to him on the phone, he said he would be at the CAF Show near Indianapolis. Due to some illness in the family I had decided not to go to the show but when he told me he would be there flying a P38 I knew then I had to go. I met him at the hangar and we went to the flight line to see his plane which he had flown from Tx the day before. He told me all about the plane and the CAF which he had been in since the '60s. He also owns and flies a P51. In talking to some of the other Pilots of the show I found out that "Lefty" was considered one of the best at the show. While the others were crowding the flight line to see the show, we were perched on top the P38 with a ring side seat watching the show. Boy, when it came "Lefty's" time to take off in the P38, he really put the plane thru its paces and I can see why he was one of the stars of the show. Sorry I could not get back with you after your performance but I had to take off for home. "Lefty" asked about his old crew chief Melvin Dybsetter and I had to tell him Dybsetter had died of a heart attack several years ago. I will have a letter coming to you after this newsletter is out.

I was honored by the Exchange Club one thursday nite at their weekly meeting, for flying the American Flag. You see the flag in my yard flys all the time except when the wind threatens to tear down the flag pole. You see in these troubled times I think if we Americans would show more patriotism in flying the flag, there would not be so much unrest in the country today. I was given two plaques and an American Flag. I was proud of the fact, I had been one of those who was selected for this award.

Thanks to those who have sent me pictures. I have returned all those who wanted them back after they were copied, except one bunch from Borah Lipsky. Borah, I will return those as soon as my copies are finished. Some of your pictures were used in the last newsletter.

Carol Nichols sent me a box of pictures which he had brought home with him. I will take care of them Carol and when the 8th AF Museum at the 8th AF Base at Barksdall is ready I will see if they can use them or let some of the men have them, who recognize some of the men in the pictures. Thanks a lot Carol. Sorry you will not make the reunion this year. We will Moist one in your honor at the reunion.

"Pete" Gray sent us a Virginia Ham one day and we have been feasting on it for sometime now. It was real good "Pete" He says even tho the state of Va is known for the large amount of people there is a larger hog population than human. It is hard to believe is it not?

Had a letter from Henry Tepper of Las Vegas and in the letter was a silk escape and evasion map, like the ones you men carried on your flight over enemy territory. He also sent an outline diagram of a B24 which was used to determine the damage on a B24 to see whether the plane was to be scrapped or not. Thanks a lot Henry. He was a Sqd Inspector in the 391st.

When I wrote the story Bill Cheek sent in I messed up a couple of times. The city should have been Gustrow instead of Rustow. I also had his address wrong, it should have been 210 E. Maxwell St Lakeland Fla. Sorry about that Bill, but even we great ones make mistakes. I make so many I really must be the best.

"Jack" Terry of the 7th Sqd, whom I have recently found, asked me to send him the list of those in Ca whom I have not found. Sorry the list did not copy very good. I will have a new one for you after this newsletter goes out. "Jack" went down and was a prisoner of war in Germany for sometime. Sorry to hear about the passing of you wife earlier this year. "Jack" has already found Bill Brophy for us.

Some of you have inquired about the pictures in the last newsletter. Upper Left 18 Sqd crew chiefs Wes Franklin, Henry Jurgens, and Steve Bialas. 2nd from left Fred Spellic Mec. 4 on rt. Either Miers or Morrison. Top Rt Picture 18th Sqd Eng Officers Paul Bourquin, Gordon Jerow, M/Sgt Leslie Patrick, M/Sgt Tony Lauby and the one in back is Kenneth Anderson. Left Center picture. 34th B.G. Medics Lower Left, your Unit Contact. Lower Rt I only know them by Elie and Low.

I received some more pictures today from Willis R Griffis who live now in the state of Wa. Willis thanks a lot. I remember those planes but do not remember who the flight crews were or the Ground crews. Planes were Heavenly Body, Paper Doll, Picadilly Tillie, Tommy Thumper, Misschief, Shadrach and one more with Cookie's Waiting Wall on the front, can any of you identify whose planes these were? Let me know.

Had a call from Bob Wright in July, he had just returned from a visit to the European Continent and to England where he visited our old Base at Mendlesham. Bob took several pictures of the Memorial and the old Base. He also visited with several of the men from around the Base. We are looking forward to seeing those pictures this fall at the reunion.

Some of you have wondering if you have to belong to the 8th AFHS to come to the reunion, according to the reservation form, you do have to belong as they are the one who sponsors the reunion. It is worth while to be a member of the 8th AFHS.

Just received a letter from "Pete" Gray who was at the Open House Dover AB in June and the CAF B17 was there and it couldn't be serviced by the gas trucks for all they had were gravity feed. All the gas had to be pumped into the tanks by hand. How would you men of the ground crews, got along if you had to gas up your plane, if you had to pump it in by hand?

Do not forget, this reunion of the 34th is to honor the Ground crews and also the other ground personel. Hope you like the pictures this time. Thanks to all who contributed their pictures, which I used.

There are still a lot of you out there, who haven't sent in their 1982 membership dues yet. Time is getting short and soon the 1983 dues will be due. If you do not receive a newsletter in Dec. You will know the reason.

I will leave you with this last thought, the biggest mistake you can ever make is to do nothing and not make any.

We will see you in Cincinnati Oct 7th thru Oct 10th

Presidents report to general membership

Our own Robert & Phyllis Gay were at the Mendlesham Memorial as guests of George and Joan Steadman on Memorial Day. A wreath was laid at the memorial as part of the ceremonies. Bob made an inspection of the site and other options open to us. Bob did a great job, as always, and his report was most specific as to what needs and should be done to bring this memorial (one of the earliest, I might add) up to acceptable or better standards. All of this will be decided at the business meeting on Friday afternoon.

I will try to have xerox copies made of site plus optional sites so that all members present at business meeting will have an idea of what we are doing.

I again encourage all of you to make plans on attending this reunion - Our 34thBG living tree memorial will be dedicated at Air Force Museum, Dayton, this alone, should be incentive to all.

Don't forget to sign the 34thBG history book that we plan on presenting to George & Joan Steadman - Jack Blackham, will have the book, so see him.

Let me say that you must sign the large roster in order that you may be counted in the total number of attendees - we are trying to overtake the 306thBG, who has been first in total members at every reunion - they may have been first over Germany in Jan 1943, but the 34thBG will be first in total attendees in Ohio in 1982. How many of you knew that the 34th provided cadre for the 306th at Bendover AAF, Utah in April/May 1942, including then Lt Colonel Curtis E. LeMay.

See Ray or Bob Wright or any of us as to where the sign-in roster will be located.

Hope to see you all at Cincinnati. Be sure to support George Ritchie with items for his AUCTION USA. PS We in Texas are sending a used Oil Well.

Respectfully,

Malcolm

ENGLEHART, RAY RR #4 Park Rapids Mn. Crew Chief 7th Sqd.
GRIFFIS, ROBERT R. Buffalo N.Y. Johanson's crew.
MEISNER, MAURICE 1ST/SGT 34TH B.G.
PAPALEO, COSMIOD N.Y. N.Y.

From the records of the 34th B.G.

Cpl Donald H. Johnson works in the VHF/Uf station which is a portable radio truck the prime purpose is to give voice bearing to aircraft within a fifty mile effective radius Cpl Johnson has worked in the ground operator as a code operator and is a distinct asset to the squadron. Cpl Johnson is a reliable person, punctual, has a willing spirit, and emanates a spirit good for the rest of the Department. There is no doubt of his ability as he was selected by Division to work a VHF/DF station in France where he is at present. The Department is looking forward to his return so that some of the experience on the Continent can be related.

ENGINEERING SECTION

From the Engineering Department a resume of the Activities for the month has been made. 116 sorties in 13 missions has been made. This brings the total number of sorties above the 1000 mark going up to 1043 for the 115 missions flown by the Squadron.

There were 18 engineering abortions during the month, bringing the total number of abortions to 26 for the number of missions flown. To date, the percentage of abortions for the missions flown is 2.43%.

M/Sgt Williard Fagar, crew chief, leads all crew chiefs in seeing his aircraft participate in 11 of the 15 missions flown during the month. M/Sgt Ambrose J. There was very slight battle damage to the planes of the Squadron during the month.

Communications

Radio mechanics were refused release to the infantry because of their speciality. Because permanent cook's helper were sent to the infantry, two members of the Communications took their place. Those assigned as cook's helpers are Cpl Stiles and Cpl Cote. The Communications Officer, Lt Herman Roben sees an inconsistency in this shuffle,
