### Harold Province

Deceased - September 8<sup>th</sup> 2005

The foundation of the 34<sup>th</sup> Bomb Group Association for the past 15 years. His compassion and understanding will be felt for many years to come. As our corresponding secretary he assisted people the world over in providing information on the fate of downed airmen of the 34<sup>th</sup> Bomb Group during World War II.

All this while also watching out for the Association's finances. We are forever indebted to him for his many contributions to the 34<sup>th</sup> Bomb Group Association.

### Reverend Gary Ferrell

Deceased - June 21 2005

In his all too short time as archivist of the 34<sup>th</sup> Bomb Group Association, Gary did extensive research on the history of the organization resulting in his web site which has provided the members with an untold amount of information on ground crews and air crews. His passing has left a void which will be impossible to fill.

Thank you Gary for your valuable contributions to our Association.

## DUES REMINDER

**Annual Dues Have Been  
Increased to \$20.00**

At the recent reunion of the 34th Bomb Group Association in Albuquerque, New Mexico, the membership voted to increase the annual dues to \$20.00.

Your dues are payable on January 1st of each year. Please submit your payment to our new treasurer:

**Jack Steffen**  
**6670 Powner Farm Dr.**  
**Cincinnati, OH 45248**

Thank you for your help in guaranteeing the continuance of the Association and this publication, Mendlesham Memories.

# Share - a thought...

This being the reunion edition of your Mendlesham Memories, I'm sure you all want to know how things went in Albuquerque. Harold Rutka's report will go more in detail but I can tell you that, from what I saw, the 170+ attendees had an excellent time. Weather and climate were perfect, the tour exciting, the accommodations ideal and President Feda's banquet program - fantastic. Many thanks to Gordon Leathers for coming all the way from England to tell us about the 34<sup>th</sup> Bomb Group museum he and his kids at his school have established in Mendlesham.

Thank you, one and all, for all the photos you sent in. They were great and plentiful. I wish I could use them all, but due to limited space, that would not be possible.

Several important topics were discussed at our general meeting, among, and perhaps the most important, were the financial situation of the organization and the phasing out of the organization due to the sad fact that we World War II veterans are just getting too old to keep up the pace. Of course all this info will be in the minutes and reports contained in the following pages but I will expand on some of the important issues that were considered.

First, thanks to your generosity, our finances look to be fairly stable at this point. The dues for those that pay annually have been officially increased to \$20 per year. The one year assessment for life members was not extended.

Secondly, it was decided that we would carry on the organization for three more years and then disband. Just what will take place at the end of that period is not quite clear, at this point, but I'm sure it will be discussed in detail as the end draws near.

As many of you know, some of us that live in the Houston area and drove to Albuquerque, were somewhat apprehensive about our journeys home, not knowing the extent of the damage, Rita, the hurricane caused while we were out of town. The traffic situation, the accommodations and the fuel situation were our major concerns. Fortunately, we had little trouble. Some minor traffic jams but that was about it.

We arrived home to find some trees down and a lot of debris scattered about. One of our members, Charley Siragusa, who lives a short distance from us, arrived home to find his electricity out. We are not comfortable down here without our air conditioning. All in all, Houston lucked out this time.

As Christmas approaches, Marian and I would like to wish each and every one of you a joyous Christmas and a most happy, healthy New Year.

Jack

## PASSING OF THE GAVEL

On Saturday evening at the Gala banquet in Albuquerque the successful presidency of Dr. John Feda officially came to an end as he passed the gavel to our new president, Kivett Ivey. Kivett is well deserving of this honor having been very active in the association in the past, serving in several official positions and as a member of the Board of Directors. He, and several family members, have been regular reunion attendees for many years.

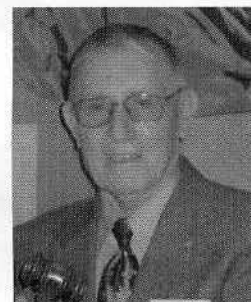

Kivett, a retiree from the Air Force, served his country actively for 22 years having served both in World War II, as a 34<sup>th</sup> Bomb Group flight engineer, and in Vietnam plus another 8 years reserve time. His book on his military time, "World War II - Influence on my Life and Career" describes his interesting career. For the last fifteen years he has been active in civic affairs serving on various community service boards.

On December 29<sup>th</sup>, he and his wife Lucille will celebrate 65 years of wedded bliss. They were blessed with four children, 2 boys, 2 girls, who have further blessed them with ten grandchildren and sixteen great grandchildren.

Congratulations, Kivett. The 34<sup>th</sup> Bomb Group Association is in good hands for another year.

## PRESIDENT'S MESSAGE

The 2005 34<sup>th</sup> Bomb Group Association Reunion was held in Albuquerque, New Mexico with 171 registered members and families in attendance. The room rates, the free hot breakfast, free "happy hour" drinks and the bus tour just capped the whole thing! The hotel bent over backwards to insure we were happy. The Reunion Committee really did an outstanding job!

During the Board of Directors' meeting and the General Membership meeting the discussion was devoted mostly to "how much longer can we hold out" because most of us are in our middle 80's and time is catching up with us. The consensus was that we had enough funds to have 3 more reunions with the last one being the 25<sup>th</sup>. The good Lord willing I hope to be around for that one.

My daughter and I expected delays but luckily we were only delayed a few hours and had a nice trip.

Being selected as your president for next year is an honor and I hope I can fill those big shoes that came before me.

Lucille and I celebrate our 65<sup>th</sup> wedding anniversary the 29<sup>th</sup> of December, not that is a long time!

Happy Holidays, everyone.

Kivett Ivey, President.

## PAST PRESIDENT'S REPORT

Reunions are only successful if enough people come and then enjoy themselves. Our 2005 reunion in Albuquerque lucked out on both counts. So many members contributed to the success of the reunion. My THANKS to each and everyone of you. I will refrain from

naming names because I know someone would inadvertently be missed.

We were very fortunate to have Mr. Gordon Leathers from England attend our reunion. His story about how his school (grades 3 to 8) worked to create a 34<sup>th</sup> Bomb Group Museum was very interesting and heart warming. After the school created the Museum it was dedicated at a special ceremony in the Mendlesham church. From there it was moved to THE FLEECE, a pub in Mendlesham which was frequented often by our personnel stationed at Mendlesham during World War II. (A brief description of the project was printed in the September 2005 issue of the 8<sup>th</sup> Air Force News, page 43).

As we are all growing older, we struggled with the question - "How many more reunions should we plan for?" The action taken at the General Membership meeting was that we will plan for three more, 2006 - 2008.

Our newsletter, MENDLESHAM MEMORIES, is very important to the organization and to assure its continuance, as we know it, action was taken to continue membership dues at \$20 per year and to contribute \$5 from each reunion registration to the general fund. Our very competent Editor, Jack Share has agreed to continue as editor.

My sincere thanks to all of you for permitting me to serve as your President this past year.

John J. Feda

## PX NEWS

from Ken Paxton

Quite a few people who visited the PX at Albuquerque saw our book "Ball Turret Gunner" by Ken Cashion. This is the true story of an 18<sup>th</sup> squadron ball turret gunner James Corkern (now deceased). It has information we haven't had before from Corkern's diary and official records, especially the missions we flew from January 14<sup>th</sup>, 1945 until the end of the war. It is very well written and very interesting.

The author, Ken Cashion, was scheduled to be at our reunion but his home in southern Mississippi received heavy damage from hurricane "Katrina" and he couldn't attend.

Anyone interested in purchasing the book may send \$20.00 to him at:

Ken Cashion  
157 Tennyson Cove  
Picayune, MS 39466

He will mail your copy to you postage paid. His telephone number is 601-798-5807.

Our second book should have been included in the PX order form but I failed to add it. It is "Mendlesham Revisited" by Gordon Leathers and his students at Stoke Ashley middle school, Suffolk, England. Gordon flew to our reunion at Albuquerque and visited with many of us, then gave a great talk at our Saturday night banquet. The book shows pictures and tells about the museum items he and his students collected about the 34<sup>th</sup> Bomb Group.

The museum idea was requested by British authorities to teach students about WWII and commemorate its happening 60 years before. The project was financed by a grant from the British lottery.

You may order it from our PX as we have some copies remaining. Price is \$20.00 postage paid.

We appreciate everybody's interest in the PX items and "thank you" very much.

Ken Paxton, PX manager.

## TREASURER'S REPORT

I would like to begin my first Treasurer's Report with a sincere "thank you" to my predecessor, Hal Province, who passed away in August, much too soon. For many years, Hal served the 34<sup>th</sup> Bomb Group Association with tireless dedication. We will miss him as our Treasurer, but more significantly, we will miss him as a good friend. My goal is to strive to maintain the high standard that Hal set for the job.

As reported at the annual meeting in Albuquerque, our organization is in sound shape financially, thanks to the generosity of the membership. The Board spent time at its meeting reviewing the group's finances to ensure that we can continue to operate productively. Over the past year, we took in enough money to pay our bills without depleting our reserves.

Annual dues for 2006 were set at \$20, the same as for 2005. The \$10 special assessment paid by life members in 2005 has not been continued for 2006.

Elsewhere in this issue is the address for sending your annual dues payment to me. Please indicate in the memo section on your check the year that your payment applies to.

Thank you for your ongoing support of the 34<sup>th</sup> Bomb Group Association.

Jack Steffen, Treasurer

## 34<sup>th</sup> Bomb Group Associate Members Plan Trip to England

With the 34<sup>th</sup> Bomb Group Association's decision, made at the recent reunion in Albuquerque, New Mexico, to disband in three more years, there has been much interest in organizing one last "farewell" trip to Mendlesham, England during the summer of 2006. As our regular members get older, this might be the last chance to visit Europe as a group and we need to take advantage of the time we have together to visit Mendlesham and experience this special place collectively. Gordon Leathers has volunteered to help us out and act as liaison with the village committee and we can employ these contacts to make this trip something truly special.

Some of the events being discussed are as follows:

Civic reception in the village of Mendlesham (with elected officials and dignitaries).

A meal at the Fleece Pub (and a chance to visit the new 34<sup>th</sup> Museum and Memorial).

Visit the Stoke Ash Primary School (and meet and thank all the kids that were involved).

Visit the airfield site.

A wreath laying ceremony at the Memorial (and a chance to meet and thank all the local people for their work in maintaining the Memorial).

Visit the U.S. Madingly Cemetery Cambridge.

Visit the Imperial and American War Museums at Duxford.

A few days in London.

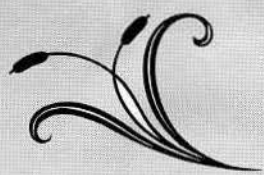

A trip to the U.S. Cemetery in Normandy, France.

What we would like to do is schedule the events at a leisurely pace so that we can all take our time and really have the opportunity to visit with the people and places of England and savor the experience of revisiting this special part of our lives. The opportunity to visit Mendlesham together as vets, parents, kids, grandkids, friends and relatives can turn this trip into a once-in-a-lifetime experience.

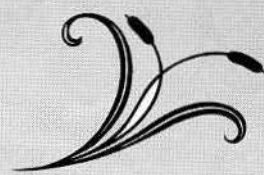

The trip is tentatively scheduled for June 17, 2006 through June 24, 2006. Please contact either myself, Jack Steffen, Scott Mackey, or any of the Officers or Board Members if you are interested in joining us next summer.

David Fieber, Recording Secretary, 34<sup>th</sup> BGA.

# Minutes of the Board of Directors Meeting

Albuquerque, New Mexico  
September 22, 2005

The meeting was called to order at 1400 hours by President John Feda. President Feda led the group in reciting the Pledge of Allegiance. Chaplain James Martin gave the invocation.

The following members of the Board of Directors were present: John Feda, Bennett Richmond, Kivett Ivey, Jack Steffen, Jack Share, James Martin, Ken Paxton, Verbal Holcomb and Raymond Hinchee. Reunion Committee members Harold Rutka, Robert Wright and Bruce Sothern were also present. The following board members were not in attendance: Robert Pacholski and David Fieber. Scott Mackey joined the meeting in progress.

Harold Rutka made a motion to approve the minutes of the September 9, 2004, Board of Directors' Meeting held in Dayton, Ohio. The motion was seconded by Bruce Sothern, and passed unanimously.

Jack Steffen gave the Treasurer's Report. The report covered the transition of the Treasurer's duties from Hal Province to Jack Steffen. Our bank accounts have been transferred and we are able to make deposits and pay bills. The report shows the cash on hand one year ago was \$25,613.22 and it is currently \$20,605.70. There was an outstanding Mendlesham Memories bill of \$5,492.70 yet to be paid out of last year's balance, so our revenues and expenses essentially offset over the past year. A complete copy of the report is filed with the minutes of this meeting. A motion to approve the report was made by Ken Paxton and seconded by Raymond Hinchee. The motion passed unanimously.

Ken Paxton provided a report on the PX. Ken noted that he has several new items for sale including a book describing the memorial developed by Gordon Leathers and his students at Stoke Ash Primary School, a 34<sup>th</sup> Bomb Group commemorative license plate and a new sweatshirt. He noted that the PX will be open on the afternoons of September 22, 23 and all day on the September 24. The financial report for the PX shows that the cash balance one year ago was \$551.45 and the current balance is \$743.07. A motion to accept the report was made by Harold Rutka and seconded by Bennett Richmond. The motion was unanimously approved.

President Feda appointed Verbal Holcomb, Kivett Ivey, and Raymond Hinchee to the 2005 audit committee. They will audit the general books of the organization, the books of the PX, and the books of the Reunion Committee.

Harold Rutka provided the report of the Reunion Committee. For the current reunion, all plans are final and all bills are paid. The committee is researching locations for next year, has eliminated a few, and is currently looking at South Dakota. The Committee's goal is to have a location and dates in time to be published in the December Mendlesham Memories. Kivett Ivey commended the committee on the excellent job that they do year after year. A motion to accept the report was made by Jack Share and seconded by Jack Steffen. The motion passed unanimously.

John Feda provided the report of the Scholarship Committee. The Committee has been reduced to two members, John Feda and Ambers Hanson. Three scholarships were granted this year, to Lisa Scherkenbach (\$1,000.00), Janina Gregorski (\$750.00), and Craig Sweeney (\$500.00). The Committee will look for a few new members. In the future, the procedure will be for scholarship applications to be mailed directly to Ambers Hanson, instead of to the group's Corresponding Secretary. A motion to accept the report was made by Bruce Sothern and seconded by Bennett Richmond. The motion passed unanimously.

The Mendlesham Memories report was given by Jack Share. Jack's primary concern is the cost of the newsletter. More pages mean greater cost so the ongoing balance is between providing the members with information and keeping the price reasonable. Jack also discussed the procedure for getting undeliverable newsletters back from the Post Office and removing from future mailings those who can no longer be found. There were several comments from the floor commending Jack on the consistent high quality of this newsletter. A motion to accept the report was made by Raymond Hinchee and seconded by Bruce Sothern. The motion passed unanimously.

Bruce Sothern provided the report of the Nominating Committee. The Committee is still talking with many individuals about their interest in serving in one of the open positions. They do not have a firm list of names at this time,

but will have more as they can meet with members over the next few days. Jim Martin, who serves on the committee with Bruce, commented that he believes that things are falling into place. John Feda indicated that at Saturday's General Meeting we will accept nominations from the Committee and will also take nominations from the floor.

John Feda led the group in a discussion about future finances of the association. Over the years the group has had several sources of revenue, including: Life Member dues, Annual dues, and contributions from both the Reunion Committee and the PX. Our largest single expenditure is the publication of Mendlesham Memories at an average cost of approximately \$2500.00 per issue. A discussion regarding how long to continue this Association ensued. As a result of this discussion the following recommendations will be made by the Board of Directors at the General Meeting on Saturday, September 24, 2005:

Five dollars from the annual reunion admission fee will be directed to the General Fund instead of to the Scholarship Fund.

Annual dues for members who pay annually will be increased to \$20.00. The temporary \$10 annual assessment from Life Members that was requested last year will not be requested this year.

General funds of the organization will be used to cover any revenue shortfalls.

The group will hold three more reunions and then cease operations on its 25<sup>th</sup> anniversary.

The motion was made by Bruce Sothern that the Board support these recommendations. It was seconded by Kivett Ivey and passed unanimously.

President Feda noted the recent untimely death of Archivist Gary Ferrell, and expressed the desire that the web site continue. There was much support for this idea. It was agreed that Gary's widow will be contacted and that we will support continuation of the web site.

## New Business:

1. President Feda reported that Gordon Leathers brought a display with him from England, depicting the memorial that he and his students built at the Fleece Pub in honor of the 34<sup>th</sup> Bomb Group.
2. A discussion was held regarding providing Gordon Leathers an honorary membership in the 34<sup>th</sup> Bomb Group Association in recognition of the work he and his students did. Ken Paxton made a motion that we award Mr. Leathers honorary membership and it was seconded by Kivett Ivey. The motion passed overwhelmingly, with one "no" vote.
3. Bennett Richmond, currently First Vice President, informed the group that he was submitting his resignation from that position.
4. A group member in attendance stated that he and possibly other members do not always receive Mendlesham Memories. Jack Share indicated that Mendlesham Memories is sent at a special rate that is not always given priority by the Post Office. Jack asked that any member who does not receive an issue contact him as soon as possible and he will work to rectify the problem.
5. Scott Mackey raised the idea of putting a wreath at Madingly Cemetery each year on Veteran's Day on memory on behalf of the 34<sup>th</sup> BGA. Gordon Leathers previously told Scott that he would place the wreath each year. Given the Board's recommendation that the organization terminate after three more years, this issue was tabled and not brought to a vote.

A motion to adjourn was made by Kivett Ivey and seconded by Harold Rutka. The motion passed unanimously.

# Minutes of the General Membership Meeting

Albuquerque, New Mexico  
September 24, 2005

The meeting was called to order at 0900 hours by President John Feda. President Feda led the group in reciting the Pledge of Allegiance. Chaplain James Martin gave the invocation.

Bruce Sothern made a motion to approve the minutes of the September 11, 2004, General Membership Meeting held in Dayton, Ohio. The motion was seconded by Harold Rutka, and passed unanimously.

Jack Steffen gave the Treasurer's Report. Jack thanked Hal Province for his many years of valuable service to this group. The Treasurer's Report covered the transition of the Treasurer's duties to Jack Steffen. Our bank accounts have been transferred and we are able to make deposits and pay bills. The report shows the cash on hand one year ago was \$25,613.22 and it is currently \$20,605.70. There was an outstanding Mendlesham Memories bill of \$5,492.70 yet to be paid out of last year's balance, so our revenues and expenses essentially offset over the past year. A complete copy of the report is filed with the minutes of the Board of Director's meeting. A motion to approve the report was made by Harold Rutka and seconded by Ken Paxton. The motion passed unanimously.

Ambers Hanson gave the report of the Scholarship Committee. The Committee has been reduced to two members, John Feda and Ambers. Three scholarships were granted this year, to Lisa Scherkenbach (\$1,000.00), Janina Gregorski (\$750.00), and Craig Sweeney (\$500.00). The Committee will look for a few new members. Ambers will request pictures from each of the winners for publication in Mendlesham Memories. In response to a question, Ambers discussed the criteria used by the committee, including SAT and ACT scores, the personal statement in the application, and class rank. John Feda commented on the overall high quality of the applicants. A motion to accept the report was made by Fred Mueente and seconded by Raymond Hinchee. The motion passed unanimously.

Ken Paxton provided the report on the PX. Ken reported that sales for the last year were approximately \$3000. The PX started the year with a cash balance of \$551.45, and the current balance is \$743.07. Ken noted that he has several new items for sale including a book describing the memorial developed by Gordon Leathers and his students at Stoke Ash Primary School, a book about a ball turret gunner, a blue polo shirt, a 34<sup>th</sup> Bomb Group commemorative license plate and a new sweatshirt. A motion to accept the report was made by Harold Rutka and seconded by Claude Conklin. The motion was unanimously approved.

Kivett Ivey, on behalf of the Audit Committee including himself, Raymond Hinchee and Verbal Holcomb, reported that the committee audited the general books of the organization and the books of the PX, and that these books were found to be in order. The audit of the books of the Reunion Committee was not complete at the time of the meeting, but would be completed soon. A motion to accept the report was made by Harold Rutka and seconded by Bruce Sothern. The motion passed unanimously.

Harold Rutka provided the report of the Reunion Committee. One hundred sixty seven were registered for the reunion in Albuquerque. The committee is currently researching locations for next year, has eliminated a few, and is currently looking at South Dakota. The Committee's goal is to have a location and dates in time to be published in the December Mendlesham Memories. Bruce Sothern will email a message to everyone for whom he has an email address as soon as a decision is made. A motion to accept the report was made by Carroll Forister and seconded by Claude Conklin. The motion passed unanimously.

Bruce Sothern gave the Nominating Committee report. The committee nominated the following officers: Kivett Ivey (President), Verbal Holcomb (First Vice President), David Fieber (Second Vice President), Jack Steffen (Treasurer and Corresponding Secretary) and Sonia Fieber (Recording Secretary). The committee nominated the following to fill vacancies on the Board of Directors: Oral Walker, Clayton Mink and Bonnie Zylstra. Nominations were requested from the floor, and none were received. A motion was made by Robert Gross to close the nominations and approve the slate as submitted, and was seconded by Fred Mueente. The motion passed unanimously.

The Mendlesham Memories report was given by Jack Share. Jack's primary concern is the cost of the newsletter. More pages mean greater cost, so Jack attempts to strike a balance between providing the members with information and keeping the price reasonable. Each page (which is 4 printed pages in Mendlesham Memories) adds \$400 to the cost of an issue. Jack was commended by several members for his outstanding work. A motion to accept the report was made by Bruce Sothern and seconded by Claude Conklin. The motion passed unanimously.

John Feda discussed the future finances of the association, progressing through several recommendations:

Recommendation that the group hold three more reunions, then disband. A motion to accept this recommendation was made by Harold Rutka and seconded by Ken Paxton. The motion passed unanimously.

Recommendation that five dollars from the annual reunion admission fee be directed to the General Fund instead of to the Scholarship Fund. A motion to accept this recommendation was made by Kivett Ivey and seconded by Jim Martin. The motion passed unanimously.

Recommendation that dues for members who pay annually be set at \$20.00 per year. The temporary \$10 annual assessment from Life Members that was requested last year will not be requested this year. A motion to accept this recommendation was made by Jim Martin and seconded Carroll Forister. The motion passed unanimously.

The "Life Membership Fund", which is in the General Fund of the organization, be used to cover any revenue short-falls. A motion to accept this recommendation was made by Bruce Sothern and seconded by Claude Conklin. The motion passed unanimously.

President Feda noted the recent untimely death of Archivist Gary Ferrell, and expressed the desire that the web site continue. Gary's widow Susan Ferrell may have an interest in maintaining the site. If so, the group will pay the necessary maintenance fee. If Susan does not wish to maintain the site, we will solicit a volunteer to do so.

President Feda reported that Gordon Leathers brought a display with him from England, depicting the memorial that he and his students built at the Fleece Pub in honor of the 34<sup>th</sup> Bomb Group. The project was supported by a grant from the British government. There were several comments on the great job done by Gordon and his students.

Bob Ham reported on a World War II memorial video available for sale that may be of interest to the members. More information will be available in the next issue of Mendlesham Memories.

A motion to adjourn was made by Bruce Sothern and seconded by Harold Rutka. The motion passed unanimously.

The meeting adjourned at approximately 1020 hours.

Respectfully submitted,

Jack Steffen  
Acting Recording Secretary

## EUNICE RAMSAY - GLENCLIFF, NH

The Mendlesham Memories arrived last week. It was a reminder that I hadn't got word to you of my dear husband's death last December 1, 2004. We would have celebrated our 63<sup>rd</sup> anniversary on January 12, 2005 and he would have celebrated his 85<sup>th</sup> birthday Feb. 4, 2005. He always looked forward to receiving Mendlesham Memories and shared them with a buddy who was a tail gunner during the war.

I read your request for life members to send a donation to help defray costs for the publication. I am enclosing a small check for that purpose.

\*\*\*\*\*

## WARREN MORRISON - WASHINGTON, D.C.

Enclosed are my annual dues for 2005. \$20 for the dues and \$20 dollars for 2004 in case I forgot that year or credit it to 2006.

\*\*\*\*\*

## HUGO ANDREW CHIESI - PUEBLO, CO

Please find \$20 check for 2005 dues. I hope to see you in Albuquerque at the 22<sup>nd</sup> annual reunion of 34<sup>th</sup> Bomb Group Association.

I am proud to be a member.

\*\*\*\*\*

## PAUL BOURQUIN - PLEASANTVILLE, NY

The latest MM that came the other day reminded me that I was remiss in not extending my Life Membership. Enclosed please find a check to cover a year or two.

I think Albuquerque is a little far so I am not planning to go. If I see a bargain airfare and am feeling stronger I may change my mind. I just got out of the hospital on May 5<sup>th</sup> after being in for two weeks with a ruptured appendix. I'm too old for that kind of stuff. No food or drink at all for the first 10 days. If you want to lose weight try it.

I am going out golfing tomorrow to see if I can still hit the ball as far as I did last year.

Keep up the good work.

\*\*\*\*\*

## DICK SCULLY - SARASOTA, FL

In your June 2005 column of Mendlesham Memories you mentioned the assessment in dues for life members. I must have missed it, for I don't know the amount. Attached is my check for \$30.00 as a partial payment. What was the assessment?

*(Close enough Dick it was \$20).*

You fellows do a great job in keeping the 34<sup>th</sup> going. Keep up the good work.

\*\*\*\*\*

## BOB DAVIS - HUNTSVILLE, AL

Thanks for all you do for us. A small check is attached for membership fund.

\*\*\*\*\*

## EDWARD HAYES - SALISBURY, MD

Enclosed find check for \$50. Apply the \$10 for 2005, \$10 for 2006 and \$20 for 2007. Put the balance in the general operating fund.

Sorry we can't make the reunion in Albuquerque due to health problems.

\*\*\*\*\*

## DONALD BAUMGARDNER - CHARLES TOWN, WV

Enclosed is the life membership assessment. Thanks for all your hard work and all the best.

\*\*\*\*\*

## WILLIAM ORTON - CASCADE, ID

I just want to share with you the sad news that my wife, Naomi "Jo", passed away on December 21, 2004 after a long illness. She enjoyed attending many of our reunions and reading Mendlesham Memories.

Enclosed please find my check for \$20.00 to help continue publication of our super news letter. We must, by all means, keep this program going.

I will probably see you at the reunion in Albuquerque. Thanks for the great work you are doing.

\*\*\*\*\*

## VIRGINIA ANSELMINI - WEST PALM BEACH, FL

Enclosed please find a check for \$20 to help defray a little of the expense incurred with the publishing of the Mendlesham Memories. I would hate to see it come to an end.

\*\*\*\*\*

## KATHERN MARKS - SALT LAKE CITY, UT

Joe and I have always looked forward to Mendlesham Memories and just want to thank all the people who give of their time and effort in getting it published and mailed. Sometimes we take it all for granted but want to say "You are the Best".

Enclosed check is for dues and to help where needed. We'll be in Albuquerque - if all goes well.

\*\*\*\*\*

## RAYMOND BROWN - SAN ANTONIO, TX

Mendlesham Memories has gotten better and better. Hope it keeps coming.

\*\*\*\*\*

## ERNEST SAULNIER - ROTONDA WEST, FL

My wife died on March 21, 2003 after which I lost track of a lot of things for a period of time. Just ran across a copy of Mendlesham Memories of June 2003 and realized I probably had not paid my dues for 2004. If the dues have gone up please advise me of that and I will send on the difference.

I still enjoy hearing about the group even after all these years.

\*\*\*\*\*

## DALE FRANK - WINTERSET, IA

It was a great reunion and we sure thank the committee for all their planning. Looking forward to seeing everyone next September.

\*\*\*\*\*

## Friends Write cont.

MARK COLE - AVON, IN

Thank you for keeping me on your mailing list. I enjoy my copies of Mendlesham Memories. My dad was Bob Cole who was a gunner/toggaler with the 7th squadron. Dad and Mom always enjoyed the reunions and the great friendships they renewed every year with the men of the 34<sup>th</sup> and their wives.

I'm still flying the 757 and I have the honor and privilege of bringing our troops in and out of Kuwait quite frequently.

I like to relay some of my dad's Flying Fortress stories to some of my young co-pilots to keep the legacy of you American heroes alive. You truly are the Greatest Generation.

\*\*\*\*\*

BONNIE BUTLER - GARDEN GROVE, CA

Enclosed is my check for \$10 for the extra on the 2005 dues.

I am happy to pay the increase to help the memories of Mendlesham be published. I enjoy every issue.

\*\*\*\*\*

BILL KAUFMAN - NEW WILMINGTON, PA

Sorry it took me so long to get around to this but here is my assessment for last year, this year and next year. Hope I'm around in 2007 to send another one.

This past year has been a hectic one. Eileen fell and broke her fema and has been on a walker a lot of the time. At the time, the orthopedic surgeon told me not to be surprised if she spent the rest of her life in a wheelchair. I feel pretty lucky she can get around with a walker.

Our days of attending reunions are over, however, we did enjoy the few we had.

I will go thru my old pictures and see if there is any you might be interested in.

We appreciate the good work you do on the MM newsletter. Keep it up.

\*\*\*\*\*

VINCE DORAN - ANCHORAGE, AK

The association has been important for men from Mendlesham to keep in touch. I hope we can keep it going.

\*\*\*\*\*

LLOYD INMAN - KELSO, WA

Enclosed are my dues. Didn't know the association was still operating. Haven't had any mail from them since last Sept.

One of my crew called and said there would be a reunion in Sept. Don't know what happened to my Mendlesham Memories - the mail isn't very good out West. Let me know if I owe more on dues. I try to pay ahead.

\*\*\*\*\*

ARNOLD PRILLAMAN - MARTINSVILLE, VA

Thanks for the work you do for our organization. Enclosed is my check for \$50, \$25 for membership for my son Harry A Prillaman Jr. and the remainder my donation to the general fund.

I wonder if you might have the address of Mr. Raymond Paul Moats, the artist who did the painting of the 7<sup>th</sup> sqd - 17 Dies Irae. I flew my first mission Dec. 6<sup>th</sup>, 1944 to Merseberg on that aircraft.

My e-mail address is [haprill@sitestar.net](mailto:haprill@sitestar.net). Thanks again for everything.

PS. I ran across this photo of the gentleman and his daughter who were at our table in San Antonio. If anyone recognizes them please let me know.

\*\*\*\*\*

RALPH BUSH - SPRINGFIELD, IL

I'm enclosing a check for \$100, \$20 each for associate memberships for son and daughter and \$60 for the years I've been free loading as a life member.

Hope to make Albuquerque if our health holds.

\*\*\*\*\*

CAROLYN GUERTIN - RICHMOND, VA

Enclosed are my dues for the life member assessment and for the Ray Summa Scholarship Fund in memory of Sylvia Forrister. Mendlesham Memories is an excellent publication and means a lot to me. My sister, who attends the reunions with me, and I both fell last winter. I dislocated my sacroiliac and my brains smashed against my skull. My sister sprained her ankle and suffered other bruises in her fall. We are on the mend now and we are looking forward to seeing you and the gang in Albuquerque. Take care and God Bless.

\*\*\*\*\*

VIRGINIA GRADIN - MESA, AZ

Enclosed is my check towards helping to keep Mendlesham Memories published. I enjoy reading it and seeing familiar faces.

I see Beryl and Paul Anderson plus the Shulls during the winter in Mesa, AZ and they bring me up to date about friends in the 34<sup>th</sup>.

Thanks for all the work you've done and may the upcoming reunion be a great success.

\*\*\*\*\*

**KATE TAVASTI - PISMO BEACH, CA**

Enclosed is our check for the \$10 assessment. I somehow missed the initial request in Mendlesham Memories. Since Ray's stroke 2 years ago things are not the same and some get overlooked. He cannot speak or read but can move around OK. We are able to communicate by sign or writing so it could be worse.

At any rate, our reunion days are over but we wish continued success to our wonderful group.

\*\*\*\*\*

**C. EDWARD HAYES - SALISBURY, MD**

Thanks, Jack (Steffen) for taking on the responsibility of being treasurer of the 34<sup>th</sup> Bomb Group Association

Sorry to hear about Hal. My wife of 65 years, and myself, have to give up traveling due to our health.

I enjoy getting the newsletter as it brings back memories when we were young men flying missions over Europe. To my knowledge, there are only two, of our crew of ten, left.

Enclosed is a check for fifty dollars. Apply twenty dollars for my dues for 2007, the balance toward operation costs.

\*\*\*\*\*

**MARGARET BURNELL - REDMOND, WA**

Hello to all. Hope everyone had a great time in Albuquerque. Sorry we couldn't be with you.

At this time we would like to congratulate Gordon "Red" Spilker from the Gene James crew upon learning of his June 27<sup>th</sup> marriage to Paula Seaman. They are now at home in Mission Viejo, Ca. Way to go Red. We are so happy for you and Paula.

\*\*\*\*\*

**HANNAH SUMMA - ANDERSON, IN**

Enclosed my check of \$10.00 to help with the cost of the newsletter.

\*\*\*\*\*

**BILL HUTCHINSON - BARTLESVILLE, OK**

I paid my dues last January, but this is a little extra to help defray the cost of publishing Mendlesham Memories, which I enjoy reading.

\*\*\*\*\*

**IRA COLES - ST LOUIS, MO**

Please find enclosed check in the amount of \$50.00 to be used where needed.

I was one of the latest arrivals to the 34<sup>th</sup> Bomb Group arriving on 1 May 1945. The war was officially over 8 May 1945. I made one flight to Austria to return French prisoners of war to Paris. I left England 21 June 1945 to return to the U.S.

Have never attended a reunion but do enjoy Mendlesham Memories very much.

\*\*\*\*\*

**ROBERT SCHROEDER - AMERICAN FALL, ID**

We had an enjoyable time at the reunion and are very glad that they have found a good replacement for Hal Province. Hope to attend next year, if all goes well.

\*\*\*\*\*

**JAMES SLADE - SEYMOUR, IN**

I still have not received a copy of the September issue of Mendlesham Memories. Hope I haven't been dropped from the mailing list after all these years of paying dues.

Our radio operator, James B. Meehan had a stroke 4 years ago and is in bad shape in a rehab hospital in Venice, FL.

Also, our flight engineer, James O. Mills died June 28<sup>th</sup>. His wife Chris, still lives in Shawnee. Our pilot was Charley Weaver and we were in the 7<sup>th</sup> squadron.

\*\*\*\*\*

**HUGO CHIESI - PUEBLO, CO**

It was a pleasure and an honor to meet and visit with you. I have been basking in the wonderful time my daughter, Deborah, and my son in law, Jay, and myself had at the warmest fellowship meeting at the 22<sup>nd</sup> annual reunion of the 34<sup>th</sup> Bomb Group Association in Albuquerque, NM.

The hotel, food and excitement of friendship will always be fond memories for me. Till we meet again, "thanks for the memories" if I might quote our great friend and entertainer, Bob Hope.

\*\*\*\*\*

**SCOTT MACKEY - COLUMBUS, OHIO**

I had a great time at the reunion and it was nice to see you all again. I was very happy to meet Gordon Leathers and hear him speak at the Gala banquet. Thank you Gordon.

Thanks to the reunion committee in making this years reunion a success and to Jack for your hard work so we can enjoy Mendlesham Memories. Thank you as well Michele Smith. You are doing a great job as publisher of our newsletter.

I am looking forward to next years reunion.

\*\*\*\*\*

**JAMES SPENCER - CARSONVILLE, MI**

Sorry we didn't make the reunion this year. Last year was our first one. We had a ball. Nice to meet all the folks.

\*\*\*\*\*

**CLAYTON MINK - HUDSON, NY**

My wife, Helen and I celebrated our 60<sup>th</sup> wedding anniversary on October 20<sup>th</sup>.

**Clayton and Helen Mink - 60 years of wedded bliss**

Daughter Pam and I enjoyed the Albuquerque reunion very much. Congratulations to the reunion committee. A job well done.

\*\*\*\*\*

**BOB AND NANCY HAM - RAMSEUR, NC**

We enjoyed the reunion very much.

Thanks for all your good work for the 34<sup>th</sup>.

\*\*\*\*\*

**KAY HUGHES - GENEVA, NE**

I am the daughter of Harold and Darlene Dwyer and an associate member of the 34<sup>th</sup> Bomb Group Association. Albuquerque was my first reunion and the committee should be commended for a fine job. I enjoyed the opportunity to meet three of my dad's crew and others and to hear them retell their experiences. Thank you veterans for serving our country!

\*\*\*\*\*

**HAROLD DWYER - HASTINGS, NE**

T'was a great reunion and we enjoyed it a bunch. Hats off to the hard workers that were responsible.

\*\*\*\*\*

**MICHELE SMITH - THE WOODLANDS, TX**

In Carol Elliot's "We Came As Boys, We Left As Men" article in the September '05 MM, there was a Chicken and Dumplings recipe that I tried on the family. It was really good. I should have added a little more salt and pepper, but other than that, the recipe received a "thumbs up" from my husband, who is a big fan of Chicken and Dumplings. We will definitely make it again!

On another note, I am really enjoying all of these wonderful photos from the reunion and how much fun everyone had. Thanks again for letting me be your publisher and for the kind words. Have a safe, fun & wonderful holiday season!
